Help the Hospital.

The 27th of this month will be Donation Day for the hospital in our public schools. Our people all know what a wonderfully good work is being done at our hospital; how many poor and suffering are being quickly relieved. We also know what a good work our schools did for the hospital last year, and we believe they will do better this year. Let everybody that can, send something, or bring it to the school yourself. If you have money, send it along.

We need flour, corn meal, potatoes, butter, eggs, tea, coffee, sugar, oat meal, all kinds of preserves, canned goods, clean white muslin, brushes, brooms and anything and everything that is used in a private family can be used at the hospital. We will not dictate to you what to give. Do the best you can, and we know the blessing of God will rest upon you.

COMMITTEE.
