THIS IS A LEHIGH VALLEY HEALTH NETWORK INTERNAL PUBLICATION ABOUT HAZLETON

First Annual Star Celebration

The first annual Star Celebration affair, recognizing colleagues for milestone years of service in 2016, was held at Capriotti's Palazzo on Oct. 13.

Hosted by Lehigh Valley Hospital (LVH)—Hazleton's human resource department, colleagues enjoyed an evening of celebration with others who share their milestone successes.

Terry Capuano, RN, executive vice president and chief operating officer, Lehigh Valley Health Network (LVHN), thanked everyone for their dedication and commitment to heal, comfort and care for the people of our community.

John Fletcher, LVH—Hazleton president, looked back to 1976 and 1971 as he recognized colleagues celebrating their 40 and 45 year anniversaries. In those years, Nixon and Ford were in office, and a gallon of gas cost between .41 and .59. For us, "The most important thing that happened in those years is the fact that these colleagues joined our organization," Fletcher says.

Congratulations to all colleagues celebrating a milestone anniversary this year.

HEART Committee Needs Your Participation

The LVH—Hazleton HEART Committee focuses on providing fun things for colleagues to do with other colleagues and/or families. It offers discounts to shows, trips, sporting events and more.

The HEART Committee also organizes the annual Winter Bliss and assists with the annual Knoebels picnic.

The committee is asking each department to provide a tricky tray for its upcoming Tricky Tray Auction on Nov. 10.

Please contact Ashleyann Temborski at extension 4260 with your department's tricky tray theme name or request information to get involved, no later than Oct. 28.
