Research and Quality Awards from the Allentown School of Nursing Alumni Association

The Research & Quality Awards follow the goals of The Magnet Recognition Program within healthcare organizations which: promote quality in a setting that supports professional practice; identify excellence in the delivery of nursing services to patients/residents; and disseminate best practices in nursing services.

Project: “A comparison of standardized and non-standardized Registered Nurse (RN) scrum uniforms on patient perceptions of RN Identity and Image” and producing EMPIRICAL OUTCOMES!

D.J. (Donald) Butz, Neuroscience ICU, Co-Investigator

Nicole Hartman, LVPG, Co-Investigator
