NAB SUMMER PROGRAM

BEGINNING JULY 19, and continuing for a half day on four consecutive Tuesdays, the Hospital Center will participate in a county-wide program sponsored by the National Alliance of Businessmen. The program works in cooperation with the Vo-Tech School and will be conducted by the Personnel and Educational Development Departments.

The purpose of the program is to acquaint young people, age 16-18, with the realities of the working world and information on available careers. Approximately 45 students will tour the Center and discuss health career opportunities.
