BUS TRAVELERS TAKE NOTE

EFFECTIVE TUESDAY, SEPTEMBER 6, 1977, LANTA is changing the time and route of the busses which offer service to the Hospital Center. The new route (Route 45) will include stops in Wescosville, Ancient Oaks, and the Trexlertown Mall several times a day.

New bus schedules are available at the Information Desk, so remember to check time and location of stops to plan your travels after the Labor Day holiday.

FOOTBALL COMPETITION SCHEDULED

THE VYING OF HOUSE AND ATTENDING STAFF members and the ASHMEN over the much coveted ASHTRAY will begin again on Saturday, September 24, 1977, at 2:00 P.M., on the Hospital Center grounds where the annual MAY DAZE festival is held. Practice for this grueling event will be held at 9:00 A.M., on September 10, 1977.

Physicians interested in displaying their athletic skills in this competition should contact Dr. Robert Riether; candidates for the ASHMEN team should contact Tom Dondore, at Extension 2026.

HOUSEKEEPING PERSONNEL ASSIST IN SUMMER PROGRAM

THE CENTER'S HOUSEKEEPING DEPARTMENT was instrumental in assisting students enrolled in the Summer Experience Program offered by the Lehigh County Vocational Technical School. The seven students who participated received their classroom instruction at the school and came to the Hospital for a week of practical experience.

The staff of the school and the students involved in the program felt that the time spent at the Center was of great value in their career development. Our appreciation to all who participated in the project.

SYMPOSIUM '77

SATURDAY, SEPTEMBER 10, 1977, the Fall Symposium series will begin with "UPDATE: CANCER - Breast and Colon," in the Hospital Center auditorium.

The first part of the program will include Early Detection of Breast Cancer and physical examination of the breast, diagnosis of breast cancer through the use of mammography, surgical treatment of primary breast cancer, and adjuvant chemotherapy of primary breast cancer. Colon Cancer - Attempts at early detection, radiographic diagnosis, surgical treatment, and adjuvant therapy will be covered during the second part of the program.

For registration and information, please contact the Educational Development Office, at Extension 2026.

COVERAGE FOR ENGINEERING: NIGHTS & WEEKENDS

tak 2 of 3
9/2/77

THE ENGINEER ON DUTY can be reached by dialing 2045 during hours when the regular staff is not available. If there is no response and it is an urgent problem, the paging system may be used. However, since the Engineer must make regular rounds and is not always in an area where the available paging can be heard, please try the extension number again in about 10 minutes if no contact is made.

GIVING THE "GIFT OF LIFE"

OUR THANKS TO ALL EMPLOYEES who gave their support and donated blood during the recent shortage of certain blood types at the Miller Memorial Blood Center. The response was immediate and helped avert what could have been a very critical situation.

AND SPEAKING OF BENEFITS...

RICHARD C. CIPOLETTI, Director of Personnel Services, has been asked to serve as moderator of a Benefit Policies Panel for the Public Sector and Institutions as part of a Personnel Seminar sponsored by the Allentown-Lehigh Chamber of Commerce. The seminar will be held September 21 and 22, at the Holiday Inn East, Bethlehem.

TELEVISION NOTES OF INTEREST

HUGH GALLAGHER, M.D., and F. Geoffrey Toonder, M.D., participated in a four-part television series on the Zipper Club and Medical and Surgical Treatment of the Cardiac Patient. The series was aired on Service Electric T.V. 2's "Inside the Valley" and will be reshownd early this fall.

WLVT-TV, Channel 39, will be airing an hour-long television documentary involving the physically and mentally handicapped on Thursday, September 15, 9 to 10:00 P.M., with a half-hour local follow-up at 10 to 10:30 P.M.

This special, entitled "Including Me" is a candid report on how our nation provides for its handicapped citizens. Hosted by actress Patricia Neal, the program also intimately documents how some handicapped persons function with their limitations.

At the close of the national P.B.S. program at 10:00 P.M., Channel 39 will air a half-hour local follow-up, which will include an interpretation of the Education of All Handicapped Children Act, Public Law 94-142.
