Spring 2006

► Dear Colleagues ...

*from Mary Del Guidice,
Vice President, Patient Care Services*

Welcome to the premier issue of the Evidence-Based Practice (EBP) e-newsletter from Lehigh Valley Hospital!

[FULL STORY](#)

► Evidence-Based Practice Success Story

Staff nurse Julie Fulcher's idea becomes reality in ED

The idea for an oral rehydration protocol for pediatrics originated with Julie Fulcher, R.N., C.B.S.N., a staff nurse in the emergency department (ED) at Muhlenberg.

► Advisory Council Update

Taking the steps toward creating a Collaborative Evidence-Based Practice Institute or Center

The Advisory Council (AC), created in 2005 to foster synergistic research and evidence-based practice (EBP) connections between LVHHN and local colleges and universities, began the year by choosing new leadership and creating an agenda for action.
