On Sunday, July 10, The Morning Call ran a feature story titled [“On the Cusp of a Cure”](#) about the LVHN Cancer Institute’s affiliation with the Memorial Sloan Kettering (MSK) Cancer Alliance. The story focuses on LVHN Cancer Institute medical director Suresh Nair, MD, and LVHN’s in-depth relationship with MSK.

Written by reporter Sam

Kennedy, the article features interviews with patients, MSK physicians, Nair and his wife, Terri. The informative piece tells the story our cancer research program’s elevation to an even higher level with its membership in the MSK Cancer Alliance. It also discusses how clinical trials have helped people survive life-threatening cancer diagnoses. TAO Email System to Be Discontinued on July 19

by [Ted Williams](#) · July 12, 2016

LVHN information services (I/S)
completed the transitioning of

colleagues who were using the TAO email system to the Microsoft Exchange/Outlook email system last year. Now I/S is in the final stages of moving all forms and bulletin boards. Accordingly, the TAO system will be turned off on Tuesday, July 19, at 10 a.m. in order to accommodate that changeover.

When that decommission occurs, the form and bulletin board features that existed in TAO will be shifted to SharePoint, a Microsoft file storage and sharing system. Going forward, anyone needing a form or bulletin board will be able to find it at [Public Folders and Forms](#) beginning at 1 p.m. on Tuesday, July 19. That page is available [on the intranet](#) by selecting “Forms and BBs” under “Technology.” Existing TAO bulletin boards will continue to be accessible through either an Exchange/Outlook public folder or a SharePoint public folder. A listing of these locations will be obtainable at [TAO BB to SharePoint List](#).

Owners and sponsors of TAO mailing lists will continue in those roles through the existing WISAR (Web I/S Access Request) process. Managers will request access to the public mail list through the [WISAR](#) and will be notified by email to approve access for that colleague.

Please see our [Transitioning from TAO Email to Exchange/Outlook FAQs](#) for additional details. If you have a question that isn't addressed, please contact the Support Center at x8303.

Get Ready for Food, Crafts and Fun at 55th LVH–Muhlenberg Summer Festival Aug. 17-20

by [Robert Stevens](#) · July 15, 2016

Long before Musikfest began,

the [Lehigh Valley Hospital–Muhlenberg Summer Festival](#)

was an established Bethlehem tradition. The 55th edition of the annual family event takes place Aug. 17-20 on the north side of the hospital grounds off Schoenersville and Macada roads.

One of the hospital's largest fundraisers, the Summer

Festival has raised millions of dollars during its history to support services at [LVH-Muhlenberg](#). The very first festival was held even before ground was broken for what was to become the Muhlenberg Medical Center.

Daily entertainment

Each night of this year's Summer Festival will include special activities for children in "KiddieLand," such as grab bags, face painting, sand art and a duck pond. You'll also find plenty of food, crafts and free entertainment for patrons of all ages.

Wednesday's opening-night activities will include one-price \$20 ride tickets from 5 to 10:30 p.m., and the popular regional rock band Common Bond starting at 7 p.m. \$20 ride tickets will be available Wednesday, Thursday and Saturday afternoon. Philadelphia Funk Authority, one of the area's best-known bands, takes the stage at 7 p.m. on Thursday night.

Catch Jake's Rockin' Country Band on Friday starting at 7 p.m. Saturday's one-price ride tickets are valid from noon to 5 p.m. and include an entry into a bike drawing. This year's raffle will be held at the end of the night Saturday for the grand prize of \$500. Saturday's entertainment includes a 1 p.m. performance by Tower Suite and a 7 p.m. performance by The Large Flowerheads.

The free admission, nightly entertainment, amusement rides, ethnic and American foods, and one of the area's largest juried arts-and-crafts shows make this event

great for the entire family.

Volunteer or participate as a crafter or artist

Artisans and craftspeople from around the nation join local exhibitors at the Summer Festival, offering hundreds of handcrafted items ranging from oil and watercolor paintings to wood carvings and paper jewelry. Each craft item must be handmade, contributing a unique quality to the array of crafts and artistic renderings presented at the Summer Festival.

If you want to volunteer at the festival – or if you want to participate in the crafter and artist competitions – you still have time to sign up. Please complete our [volunteer form](#) or our [crafter/artist form](#), then send them along to the contacts listed on the forms.

Hello! I realize it's too late for this year's festival, but I would be interested on who to contact for as band to be considered to play at the festival. Thanks! -Ed
