Mrs. Iobst presented a list of books that Dr. Dimick suggested would be of interest and a great asset to the Bio-Medical Historical-Ethical-Sociological-Economic Resources Collection housed in the Allentown Hospital Medical Library Annex. Since the budgets of both libraries could not accommodate all of Dr. Dimick's suggestions, Dr. Charles Gordon made the motion, which Dr. Gaylor seconded, to have Dr. Dimick select \$200.00 worth of books to be purchased by each library. The books will be housed in the Allentown Hospital Association Historical Book collection. The committee unanimously approved (see list of recommendations for specifics).
