SURGEON NAMED ALUMNUS OF THE YEAR

George S. Boyer, M.D., general
surgeon, was presented with the
Alumnus of the Year Award at

the annual Housestaff
Appreciation Dinner held
recently at the George
Washington Lodge. This
prestigious award is presented
annually to an alumnus and/or
member of the teaching faculty
of the hospital for his/her
leadership role in medical
education.

A native of Allentown, Dr.
Boyer attended Muhlenberg
College and received his
medical degree from Temple
University School of Medicine,
Philadelphia. He completed a
Rotating Internship at The
Allentown Hospital followed by
residencies in Surgery with the
Army Medical Corps, the
University of Pennsylvania
Graduate School, and The
Allentown Hospital. He also
completed a General and
Vascular Surgery residency at
the Cleveland Clinic, Cleveland,
Ohio.

Dr. Boyer, who has been
practicing surgery in the
Lehigh Valley area for 42
years, introduced the first
peripheral vascular clinic at
The Allentown Hospital in
1950.

Also honored at the event as
Teachers of the Year were Gazi
Abdulhay, M.D., obstetrics and
gynecology; Indru T.
Khubchandani, M.D., colon and
rectal surgery; Larry N.
Merkle, M.D., medicine; Gary
G. Nicholas, M.D., surgery; and
George Visnich, Jr., D.M.D.,
dentistry. Recipients were
chosen by residents of each
program for their outstanding
contributions to the educational
programs.

The Paul R. Bosanac, M.D.
Research Award, provided by
the Dorothy Rider Pool Health
Care Trust to encourage and
recognize residents in scientific
investigation, was presented to
William S. Hoff, M.D., surgical
resident, for his paper titled,
"Trauma in Pregnancy:
Maternal Predictors of Fetal
Demise."

Richard C. Boorse, M.D., and
Linda L. Lapos, M.D., chief
surgical residents, each
received the E. John Stahler,
M.D. Resident Award for
excellence in clinical surgery.

VOLUME 2, NUMBER 6
JUNE, 1990

MEDICAL EXECUTIVE COMMITTEE AT-LARGE MEMBERS ELECTED

At the General Medical Staff meeting held on Monday, June 11, four members of the Medical Staff were elected to serve on the Medical Executive Committee as At-Large Members.

Harry W. Buchanan IV, M.D., ophthalmologist, Victor J. Celani, M.D., vascular surgeon, and Robert J. Oriel, M.D., cardiologist, will serve a three-year term from July 1, 1990 through June 30, 1993. In addition, Joseph A. Candio, M.D., general internist, will serve a six-month term beginning July 1, 1990 through December 31, 1990. On January 1, 1991, Dr. Candio will assume the position of President-Elect of the Medical Staff. Congratulations!

PHYSICIAN PARKING UPDATE - TAH SITE

Effective Monday, June 18, physician parking will be located in the lot across the street from Merchants Bank at the corner of 17th and Chew Streets. Access to the lot will be available only with the Hospital photo I.D. cards which have been encoded by the Security Department. For the first few weeks that this new system is in effect, Security will be stationed at the gate to allow physicians to enter the

lot in the event that they have not had their I.D. cards encoded. Any physician who has not had his or her I.D. card encoded is encouraged to contact Security at TAH site through the page operator, 776-8999 to schedule a time.

If you have any questions regarding physician parking, please contact Gerald Kresge, Director of Security/Parking Management, at 778-2987.

GYN EXAM ROOM AVAILABLE ON 7B AT LVHC SITE

In order to provide patient privacy for gyn/pelvic consults and to obtain vaginal cultures, smears, pap tests, and endometrial biopsies for in-house patients, a GYN examination room has been available on 7B at the LVHC site since December, 1988.

To schedule a patient for the room, the physician requesting the exam will notify the unit where the patient is located of the time requested and the procedure to be performed. A minimum of one hour notice is required between the time the request is made until the time the procedure is performed.

The unit will inform the physician if the patient will be available at the time requested. If not, the unit and physician will identify another time mutually acceptable. The unit

is responsible for calling 7B with the name of the patient, physician, scheduled time, and procedure to be completed. If the room is not available at the time the physician requested, he or she should be contacted immediately to schedule another time.

The patient's unit is responsible to transport the patient to 7B with chart and addressograph plate. The patient should arrive a minimum of ten minutes before procedure is to begin. The charge nurse on 7B is responsible for coordinating the schedule to accommodate all persons involved.

This policy is part of t' Nursing Directives Manual. For more information or a copy of the entire policy, contact Nursing Administration at 778-2285 (TAH) or 776-8250 (LVHC).

B I O M E D I C A L PHOTOGRAPHY AT TAH SITE RELOCATES

The Biomedical Photography Department at TAH site has relocated to the first floor of 343 N. West Street. Scott Dornblaser, Senior Medical Photographer, is available between the hours of 8:30 a.m. and 5 p.m., and may be reached at 778-2387 or beeper 3382.

**MEDICAL RECORDS
BULLETIN**

**PHYSICIANS -- PLEASE
NOTE -** Do you want to cut back on the amount of time you spend signing charts in the Doctors' Record Room? If so, simply look for the yellow stickers which state "SIGN HERE" on the nursing units. Sign the report, and place the sticker on the body of the report.

RADIOLOGY NEWS

**Lehigh Valley Diagnostic
Imaging Expands Hours**

In an effort to better serve you and your patients, Lehigh Valley Diagnostic Imaging is now open on Saturday mornings from 8 a.m. to noon for routine diagnostic radiographic studies.

Lehigh Valley Diagnostic Imaging is a full-service radiographic facility including fluoroscopy, ultrasound, and CAT scan, and located on the first floor of 1230 S. Cedar Crest Boulevard (MOB 2), on the LVHC campus.

In addition, Lehigh Valley Diagnostic Imaging is now able to fax reports to physicians' offices to provide more efficient communication of test results. If interested in initiating this process, please contact Greg J. Palmieri, Office Manager of Lehigh Valley Diagnostic

Imaging, at 770-1606. The fax number for Lehigh Valley Diagnostic Imaging is 435-8329.

**Vascular Doppler Studies in
Radiology**

In last month's newsletter, the Vascular Laboratory announced that OPG's, Arterial Doppler, and Venous Doppler studies to be performed at TAH site will now be scheduled by the secretary in the Vascular Lab at the LVHC site.

PLEASE NOTE - This policy does not apply to vascular doppler studies done in the Department of Radiology at TAH site, which continues to schedule and perform both in- and out-patient doppler services. These services include color duplex doppler evaluation of extra cranial carotid arteries, upper and lower extremity veins for thrombosis or pre-op mapping, portal veins and other deep intra-abdominal veins and arteries, and arteries for aneurysm, pseudo-aneurysm, or arterio-venous fistula.

A full range of ultrasound, CT, and x-ray services are also available. For scheduling, call 778-2214 for x-rays, and 778-2450 for CT-ultrasound.

RESEARCH NEWS

The Research Advisory Committee (RAC) meets quarterly to review clinical/

epidemiological research proposals (requests for funding) submitted by the Medical and Professionals staff of TAH--LVHC. The next meeting of RAC is July 25.

All proposals submitted by July 9, will be reviewed at the July 25 meeting. For more information or proposal guidelines, contact James F. Reed III, Ph.D., Director of Research, at 776-8889.

**KEYSTONE STATE GAMES
COMING TO AREA**

The Keystone State Games, Pennsylvania's own Olympic Style Sports competition, are coming to the Lehigh Valley August 1 through 5. Over 6,000 athletes will be competing in 33 different sporting events.

Volunteer physicians are needed to assist with the medical coverage for the Keystone State Games. Physicians provide manpower coverage at high risk athletic events, provide site examination and determine suitability of an athlete to compete. Competition sites are staffed with physicians, athletic trainers, EMT/Paramedics, physical therapists, and other allied medical professionals.

If you are interested in participating in this athletic milestone and would like more information about the specific role of medical staff, please call 778-7914.

"HEALTH MATTERS" SCHEDULE

"Health Matters," a nationally-syndicated television series featuring timely health care topics and underwritten in this area by TAH--LVHC, will present the following programs through July 14:

June 20 - "Women's Problems: PMS and Endometriosis" with Beth A. Folio, M.D., and Thomas A. Hutchinson, M.D., obstetricians/gynecologists.

June 27 - "Head Injuries" with Mark C. Lester, M.D., neurosurgeon, and Robert A. Morrow, M.D., chief of neurosurgery.

July 4 - "The High-Tech Heart" with Mark N. Martz, M.D., cardio-thoracic surgeon, and D. Lynn Morris, M.D., chief of cardiology.

July 11 - "Saving Premature Infants" with Edward C. Denny, M.D., pediatrician, and Sandy Zengion, R.N., staff nurse, Neonatal Intensive Care Unit.

"Health Matters" is televised on WLVT-TV, Channel 39, on Wednesdays at 7:30 p.m., and again on Saturdays at 4 p.m.

HEALTHCOUNTS NEWS

HealthCounts, the employee and community wellness program of The Allentown Hospital--Lehigh Valley Hospital Center, has announced its summer schedule for weight management and smoking cessation classes which may benefit your patients.

L.E.A.R.N. Weight Control

L.E.A.R.N. is a 10-week multi-faceted approach to successful weight control that is structured around the participant's lifestyle. The program is designed to help participants identify and change daily patterns to lose weight, and most importantly, to keep it off. The sessions take a positive approach in stressing change in five key areas: Lifestyle, Exercise, Attitudes, Relationships, Nutrition.

A 10-week session will begin on Tuesday, June 19 through August 28, from 7 to 8:30 p.m., in the Cafeteria Conference Room at the LVHC site.

Encore Weight Maintenance Program

Encore is a bi-weekly, 10 session, weight maintenance group for individuals who have completed a structured weight control program, yet need continued support to facilitate further behavior change. Each session is one hour in length.

Topics include family involvement and support mechanisms, body image, yo-yo dieting, fitness, forging ahead, new confidence and self-esteem.

An Encore program has been scheduled to begin Monday, June 25 through October 29, from 7 to 8 p.m., in Classroom 1 at the LVHC site.

Smoke Stoppers

This nationally recognized, highly successful group program helps you quit smoking in just five days! The certified instructors are former smokers who understand how hard it is to quit. This multi-faceted program will help you to become a "comfortable" non-smoker by overcoming your cravings for cigarettes through behavior change techniques, stress management, and nutrition awareness.

A free introductory session is scheduled for Wednesday, July 11, from 7 to 8 p.m., at the Jewish Community Center, 22nd and Tilghman Streets, Allentown.

For more information or to register your patients, please call the HealthCounts Program at 821-2150.

CONGRATULATIONS!

George A. Arangio, M.D., orthopedic surgeon, has accepted the appointment of Adjunct Professor in the Department of Mechanical Engineering and Mechanics, Institute for Biomedical Engineering and Mathematical Biology, at Lehigh University effective September 1, 1990.

Jeffrey E. Burtaine, M.D., Medical Director of Healthy Business and family practitioner, was recently informed by the American Board of Preventive Medicine that he has been certified as a specialist in Occupational Medicine.

John D. Harwick, M.D., and **John S. Papola, M.D.**, otolaryngologists, were recently appointed Clinical Assistant Professors in the Department of Otorhinolaryngology and Bronchoesophagology at Temple University.

Lester Rosen, M.D., colon and rectal surgeon, was reappointed as Chairman of the Standards Task Force for the American Society of Colon-Rectal Surgery. The committee's present task is to outline antibiotic prophylaxis for colorectal procedures.

F. Geoffrey Toonder, M.D., chief of cardiac surgery, was elected to the Membership Committee of the Pennsylvania Association of Thoracic Surgeons.

PUBLICATIONS, PAPERS AND PRESENTATIONS

Yehia Y. Mishriki, M.D., Vice Chairman, Department of Medicine, and Residency Program Director, authored "Pancreatic Carcinoma Presenting as Primary Lung Cancer," an article which was published in the June 1990 issue of Postgraduate Medicine.

James A. Pantano, M.D., cardiologist, has recently become the published author of "Living With Angina," a hardcover book about how to live with coronary artery disease. The book, which includes instructions for patients who need to take nitroglycerine pills, treadmill stress tests, or undergo special testing such as cardiac catheterization, has sold at least 7,000 copies nationwide since its release in March.

Lester Rosen, M.D., colon and rectal surgeon, discussed "Clostridia Difficile -- A Common, Costly Colitis" at the American Society of Colon-Rectal Surgeons National Meeting held recently in St. Louis, Missouri.

F. Geoffrey Toonder, M.D., chief of cardiac surgery, presented a paper titled "Lung Torsion" at the annual meeting of the Pennsylvania Association of Thoracic Surgeons held recently at Split Rock Lodge in the Poconos.

UPCOMING CONFERENCES AND SEMINARS

Neurosciences Conference - Visiting Speaker

On Friday, July 27, beginning at 11 a.m. in the Auditorium at the LVHC site, Bruce Coull, M.D., Director, Oregon Stroke Center Researchers at Oregon Health Sciences University and the Portland Veterans Affairs Medical Center, will discuss antiphospholipid antibodies and stroke. This is an important area with treatment and diagnostic significance for all practicing neurologists.

Department of Pediatrics Conference Schedule

"Clinical Trials of HIB and Varicella Vaccines" will be presented by Edward P. Rothstein, M.D., Immunological Researcher, Pennridge Pediatrics, on Friday, June 29, beginning at noon in the Auditorium at TAH site.

For more information, contact Beverly Humphrey in the Department of Pediatrics at 778-2540.

WHO'S NEW

The Who's New section of Medical Staff Progress Notes contains an update of new appointments, address changes, newly approved privileges, etc.

Please remember that each department or unit is responsible for updating its directory, rolodexes, and approved privilege rosters.
