The Allentown Morning Call 2-2-1915

**WORK PROGRESSING ON  
THE HOME FOR NURSES.**

The Ochs Construction Co., which is building the nurses' home at the Allentown Hospital, has a force of men at work daily on the site despite the cold weather. The foundations are built on the stone base and water table are in place. The steel girders are being laid and yesterday the first frames for windows and doors were set in place.
