Published In/Presented At

Heckman, T. (2013, April 4-7). *Conference learnings*. Presented at: The NICHE Annual Conference, Philadelphia, PA.

This Presentation is brought to you for free and open access by LVHN Scholarly Works. It has been accepted for inclusion in LVHN Scholarly Works by an authorized administrator. For more information, please contact LibraryServices@lvhn.org.

CONFERENCE LEARNINGS

NICHE Annual Conference
Philadelphia, PA
April 4-7, 2013

Tracie Heckman RN, CMSRN, MSN
Patient Care Specialist 6B

A PASSION FOR BETTER MEDICINE.™

Conference Topics

- Delirium
- Mobility
- NICHE program and goals
- Geriatric Certification
- Falls
- Medication in the Elderly

Learning to Consider for LVHN

- Implement a walking program focused on mobility of patients and geriatrics as the focus. Use of the volunteers should be investigated.
- Encourage geriatric certification for the nurses. Discuss with DOE the possibility of a review course for the geriatric course.
- Reeducate the delirium protocol so that the staff are more aware of the interventions available.

Group Discussion
