Another subscription has been added to THE MORNING CRITIC Hospital Fund. "Attorney" gives \$10.

The growth of the fund isn't rapid but it is substantial. There is nothing solid about a mushroom growth; good things take time to accomplish. "Rome wasn't built in a day" is an old saying. Neither has the hospital fund been raised in two months. With such names as are now on the list an interest must follow which will result in the success of the undertaking.
