THE MORNING CRITIC hospital fund booth was better patronized yesterday than on any previous day. This is highly gratifying when the fact that so worthy a cause is being considered. As previously stated, the fund will be materially increased when the exposition comes to a close.

THE MORNING CRITIC hospital fund can be given a substantial lift by patronizing the booth at the Food Exposition which Manager Buckley has so generously and thoughtfully placed at the disposal of THE MORNING CRITIC. It is for a good cause and even the smallest article purchased will help the fund along.

IF EVERY one that visits the Food Exposition will make even a small purchase at THE MORNING CRITIC hospital fund booth the worthy cause will receive a nice lift. Don't falter. Blessings will surely follow you.
