A Skeleton Dance.

It is pleasing to note that notwithstanding the inclement weather a large number of people called at the residence of John J. Sieger, No. 216 North Sixth street, last evening to see the new attractions that Mr. Sieger has taken pains to arrange for the entertainment of visitors. A skeleton dance and flash light will be shown upon the stage every night this week, and it is so artistically arranged that all who view it will be bound to admire. No admission is charged. Every penny dropped in the MORNING CALL box will add that much towards the erection of a hospital for Allentown.
