## FOR THE HOSPITAL FUND

Another Contribution Has Been Received by the "Call."

The America Hose Company, No. 2, Has Subscribed Ten Dollars-- This is the Second Fire Company that Responded.

The MORNING CALL Hospital Fund has been increased by a subscription of \$10 from the America Hose Co. This money is to be paid as soon as building operations are begun. It is a most commendable act. Let others follow this worthy example and the hospital will soon be erected.

The America Hose Company is the second fire company to subscribe to the fund, the Good Will being one of the first to respond when the fund was started last summer. If the other companies will do their share toward the project they will aid greatly in accomplishing the object for which the MORNING CALL is laboring. Thanks are hereby tendered to the members of the America Hose Company for their contribution.
