GLEANINGS BY THE WAY.

The Allentown Press is the name of a new weekly paper that made its appearance yesterday. It is published by Joseph A. Grim. It is eight pages, three columns to the page. It has a large amount of well-selected and interesting reading matter. The publisher announces that that he will subscribe one-half of the net proceeds received from advertisements and subscriptions towards the hospital fund. This shows that the publisher recognizes the need of a hospital in Allentown, and the paper should be substantially supported.
