## A PUBLIC MEETING TO-NIGHT

To Consider Plans to Build a Hospital for Allentown.

It Will be Held in the Court House  
and Women as Well as Men Are  
Urged to Attend--No Subscriptions Will be Solicited.

The citizens of Allentown who feel an interest in the establishing of a hospital in this city are hereby invited and requested to attend a meeting to be held in the Grand Jury room in the Court House THIS EVENING, the 17th inst., at 8 o'clock, for the purpose of discussing the matter freely and considering the merits of plans which will be suggested for placing the project before our people in a definite shape. It is the intention not to ask for any subscriptions at this meeting, but merely to learn if there is a strong enough feeling in favor of a hospital to warrant an active movement to establish one. A large attendance is earnestly desired. This call is made by request.

H. W. ALLISON,  
Mayor of Allentown, Pa.

In the above call no special mention is made of the ladies, but they are also welcome and urged to attend and express their views. The assistance of the ladies in a project of this kind will be of great value.
