

Hospital Names Burke Vice President, Site Operations, 17th & Chew

Elliot J. Sussman, MD has announced that James B. Burke has been appointed vice president of site operations for 17th & Chew, effective June 1.

In this new position, Burke will be responsible for all day-to-day activities, including the transition of all clinical services at 17th & Chew. He will direct the consolidation of acute care inpatient pediatrics and medical/surgical services and help to implement and operate the hospital-based skilled nursing facility and interim ambulatory surgery at the site. He will report directly to the chief operating officer.

Prior to joining Lehigh Valley Hospital, Burke had been director of program and operations analysis for the Hospital of the University of Pennsylvania since 1986, where he directed a variety of activities ranging from management engineering projects to programmatic business planning. Burke began his career in 1981 as a management engineer for Frankford Hospital in Philadelphia, and in 1985 was named corporate management engineer for Universal Health Systems, Inc. in King of Prussia.

A 1979 graduate of the University of Pennsylvania with a B.A. in Economics, Burke also holds a masters degree in business administration from Drexel University. He is a board member and corporate secretary for Wescott Steel Co., Inc., on the board of directors of the Delaware Valley Healthcare Information and Management Systems Society and a member of the Pennsylvania Healthcare Information and Management Systems Society. ■

Emergency Department to Offer ExpressCare at Cedar Crest

Beginning in July, Lehigh Valley Hospital will provide emergency treatment for minor illness or injury in a new division of the Emergency Department at CC&I-78.

ExpressCare will be available from 11 a.m. - 9 p.m., 7-days a week, in a four-bay treatment setting that adjoins the registration area for ambulatory patients.

ExpressCare will occupy space that previously housed offices. Renovations are under way to

convert the former offices into the new treatment area.

While this service was introduced at 17th & Chew 2-1/2 years ago, emergency care has traditionally been provided to patients according to the severity of their symptoms. For example, a patient with extreme chest pain would be treated before a patient with a persistent cough.

With the addition of ExpressCare, the ED triage nurse can route patients accordingly. And, since a physician and nurse will be specifically assigned to ExpressCare, patients with mild symptoms can expect prompt treatment. Meanwhile, patients with more pressing health problems will continue to be triaged to the existing treatment area.

(please turn to page 2)

First Annual Fund Nears Finish

Like the perennials that bloom each spring, Lehigh Valley Hospital's new fundraising program is expected to flourish on an annual basis.

Each year, the annual fund will benefit a different program or project of the hospital. During the fund's inaugural year, which concludes June 30, gifts will be earmarked for education and research programs of the John and Dorothy Morgan Cancer Center.

To create greater awareness and support of the new fund, Elliot J. Sussman, MD, president and CEO, recently wrote 85,000 former patients to explain the fund and how it will benefit the cancer center.

The first mailing went out in April; the second in May.

According to Jody Millard, Director of Annual Giving, the initial response has been encouraging. More than 300 people have responded with donations exceeding \$6,000.

Although the hospital staff was not directly solicited for the annual fund, employees who utilized in- or outpatient services in recent years may have received a request for support.

"Certainly, anyone who wishes to can contribute to the annual fund," Millard says. "In this instance, however, we targeted former patients."

Until this year, Lehigh Valley Hospital was the only hospital in the greater Lehigh Valley that did not have an annual fund, a common and basic component of fundraising programs in hospitals and other charitable organizations across the country.

"The Trust Fund was pleased to launch the program this year since it coincides with the cancer center's first year of operation," Millard says. For more information about Annual Fund '94, please contact Millard at ext. 3033 or send donations to her attention in the Trust Fund office at 1243 S. Cedar Crest Boulevard. ■

Stichter New Chair of Community Giving Committee

As newly-appointed chairperson of Lehigh Valley Hospital's Community Giving Committee, Alverta "Bert" Stichter, Administrator, Neurosciences, is helping to redefine and expand the role of the committee that coordinates the annual United Way campaign.

One of the first items on her agenda is the development of a uniform approach to helping hospital personnel struck by tragedy.

Stichter notes that two employees, Denise Meckes of Food Services and Gail Bodnarchuk, Department of Surgery, recently lost all of their belongings when a fire destroyed their apartment building.

By developing a formal response to situations such as this, Stichter believes that the committee can meet the needs of affected hospital employees more effectively. Meanwhile, donations for Meckes and Bodnarchuk are still being accepted by Bob Smith, Food Services and Woody Erh Gott, Department of Surgery, respectively. ■

ExpressCare (from page 1)

Each year, 32,000 people seek treatment in the Emergency Department at CC&I-78. As many as 25 percent (or 8,000) are candidates for ExpressCare, according to Gloria George, Director of Patient Care Services for the Emergency Department.

"By offering this service, we can assure our patients of timely treatment," she says. "As a result, we expect to achieve greater patient satisfaction." ■

CheckUp is a biweekly employee publication of Lehigh Valley Hospital, Public Relations, 1243 S. Cedar Crest Blvd., Allentown, PA 18103. Interoffice mail submissions should be addressed to 1243SCC-PR. For additional information, call extension 3000. Lehigh Valley Hospital is an equal opportunity employer. M/F/D/V

About Our People

PHO Relocates To 12th Street

The Lehigh Valley Physician Hospital Organization (PHO) is now located at the 2166 S. 12th Street building. Please note the new office extensions for the following people:

- Gregory G. Kile, Executive Director, ext. 7485
- Michele Kline, Secretary, ext. 7485
- Laura J. Mertz, Manager, ext. 7483

Marketing & Network Development

- Krista J. Miller, Provider Liaison, ext. 7440

The PHO staff can also be reached by fax at 402-7439. Through this office, Greg Kile will continue to handle all managed care negotiations and contracting for the hospital.

Research Department Merits Recognition

In recognition and appreciation of its role in the publication and presentation of clinical study results, the Research Department has been named the Department of the Month for April by the Recreation Committee.

Among the services provided by department personnel are database design and maintenance, manuscript preparation, data analysis, editorial assistance and preparation for scientific presentations. Last year, the department processed and submitted 120 publications to various journals and conferences.

Diabetes Center Personnel Present Program

Representing the Helwig Diabetes Center, Helen Seifert, RN, MSN, Pregnancy Nurse Coordinator, and Karen Friedly, RD, CDE, a Registered Dietitian, presented a lecture on gestational diabetes at the Pennsylvania Dietetic Association's 61st annual meeting in Allentown.

Congratulations! ...

... to Jane S. Green, RN, MPA, a staff nurse on the Adult Psychiatry Unit, who has been awarded a master's degree in public administration from Marywood College. During her graduate studies, Green was inducted into Pi Alpha Alpha, the National Honor Society for Public Affairs and Administration.

... to **Meg Haney**, a non-invasive technician and 18-year veteran of the Heart Station, on her graduation from Lehigh Carbon Community College. Now a certified occupational therapy assistant/licensed (COTA/L), she is "between jobs" in the best possible sense, alternately assigned to Occupational Therapy and the Heart Station.

... to **Andy Geshan** on her appointment as quality assurance coordinator for the John and Dorothy Morgan Cancer Center. Geshan previously served as director of infection control, the AIDS activities office and the dental clinic, responsibilities that have since been assumed by Mary Ellen Biedeman, Maria Farkas and Carol Bury, respectively.

... to **Patrick Meloy** on his successful completion of the written and oral examinations of the American Board of Cardiovascular Perfusion. He is now a certified clinical perfusionist, a distinction merited by only 2500 practitioners internationally yet including *all* of the perfusionists at Lehigh Valley Hospital.

... to **Ken Miller, RRT**, Clinical Manager; **John DelVillaggio, CRRT**, Clinical Manager; **Marsha Becker, RRT**, Advanced Practitioner; and **JoBeth Newhard, RPT**, Senior Polysomnographer, on their selection as Employees of the Year by their peers in the Respiratory Care and Pulmonary Laboratory departments. They will be formally honored by the Pennsylvania Society of Respiratory Care.

... to **Linda Cornman, RRT**; **Sue Deprill, RRT**; **Kelly Farrell, RRT**; **Kay Fritz, RRT**; **Denise Shank, RRT**; **Suzanne Smith, RRT**; **Ann Snyder, RRT**; and **Hugh Vrablic, CRRT**, on their successful completion of the NBRC Pediatric Exam. They are now certified in pediatric respiratory care.

... to **Carol Lawrence**, Finance, and her husband, Fran, on the birth of their son, Robert Francis. Weighing in at 7 lbs. 11-1/2 oz. and measuring 21 inches, Robert Francis was welcomed into the world on Tuesday, May 10.

About Our People

After enjoying a hearty breakfast that launched Trauma Awareness Week, shock/trauma, burn center and MedEvac personnel got down to business educating area youngsters about the services they provide and how to avoid ever having to use them. Elementary student tours and lectures for EMS providers were among the highlights of the busy week.

About Our People

Warm-up exercises were a prerequisite to the Family Fun Walk that kicked-off the May Daze weekend. Others, of course, chose to ride it out while many were content to "clown around" or browse in the used books tent.

*May Daze
1994*

Honored as "Special Friends of Nursing" at the recent Nursing Gala Celebration were Josephine Ritz (third from left), Director of Nursing Resources for the Lehigh Valley Hospital Trust Fund and Paul Nurick, Chief Operating Officer. They are pictured with Mary Kinneman, (left) Senior Vice-President of Patient Care Services; and Gloria Hamm, Chairperson of the Professional Nurse Council.

Bulletin Board

■ *Task Force Seeks Input*

Employees and their family members who have been patients at either hospital site during the past year are invited to share their impressions about the services they received with the Customer Satisfaction Task Force. The task force will schedule hour-long small group discussions in the near future. Refreshments will be served. For more information and to register, please call the patient representative office at ext. 8222 or 2720 or drop a note with your name and extension to Maryanne Falcone, patient representative, 17th & Chew.

■ *Tournament Seeking Sponsors, Patrons*

The 6th Annual Kelly Gallagher Memorial Golf Tournament and Dinner, which benefits the John and Dorothy Morgan Cancer Center and the Dream Come True Foundation, will be held Saturday, June 18 at the Golf Club at Shepherd Hills. Individuals or businesses interested in supporting this special event can do so by sponsoring a personalized tee (\$125), participating in the tournament (\$50 per person), attending the dinner (\$30 per person), and/or offering a donation. For more information and to register, please call Mary Sabo at (610) 437-0928 (home), ext. 1423 (office) or at 307-5526 (beeper) or forward your donations to her at 39 S. 16th Street, Allentown, PA 18102. You can also contact Mr. and Mrs. Thomas Gallagher at (610) 821-1430.

■ *WomanCare Lecture on Panic Anxiety*

The signs, symptoms and types of treatment for panic anxiety will be outlined at a free educational lecture sponsored by Lehigh Valley Hospital WomanCare. Michael Kaufmann, MD, Chairman of the hospital's Department of Psychiatry, will present the hour-long lecture at noon and at 7 p.m. on Tuesday, May 31, in the auditorium, 17th & Chew. For more information and to register, please call ext. 3800.

■ *Accessorize and Save!*

Nurses and other hospital employees can derive double the benefits from a new program launched by the Lehigh Valley Hospital Trust Fund. Through a special arrangement with National Footwear of Allentown and

Nurse Mates Company, the entire line of Nurse Mates shoes, stethoscopes, hosiery and other products is available to hospital personnel at 10 percent off already discounted prices. During May, staff members will also receive a special gift from Nurse Mates with their purchases. In addition, five percent of each employee purchase of Nurse Mates products at National Footwear will be earmarked for continuing staff education. National Footwear is located at 4571 Tilghman Street, Allentown. Hours are 9:30 a.m. - 8 p.m., weekdays; 9:30 a.m. - 4 p.m., Saturday; and noon to 4 p.m. Sunday. There are no Sunday hours in July and August.

■ *Walk Around The Block*

Celebrate Spring and get into STEP with lunch-time group walks led by a certified aerobic instructor. Walking-Out Workout Club (WOW) members and other interested employees are invited to participate. Employees currently enrolled in the WOW program can record their minutes of walking on their monthly logs. Walkers will meet at the entrance of each hospital site from noon-12:30 p.m. on June 6, 13 & 20 at 17th & Chew; and June 8, 15 & 22 at CC&I-78.

■ *Diabetes Association Slates Annual Meeting*

"Impact of the Family On Diabetes," will be the topic of a presentation by Joe McBride, MSW, at the annual meeting of the Lehigh Valley Chapter of the American Diabetes Association. The meeting will be held Tuesday, June 7 at 7:30 p.m. in the Laros Auditorium Doctors Pavilion adjacent to St. Luke's Hospital, 701 Ostrum Street, Bethlehem. Associate Director of the Diabetes Center for Children at Children's Hospital, Philadelphia and a behavioral scientist for the Diabetes Control and Complications Trial, McBride will tailor his talk to people with Type I and Type II diabetes who are encouraged, along with their family members/support persons, to attend the meeting. For more information and to register, please call the Lehigh Valley Chapter office at (610) 867-1055.

Bulletin Board

■ *Bloodmobile Seeking Donors*

Lehigh Valley Hospital has arranged for Miller Memorial Blood Center to have a bloodmobile on Thursday, June 9 from 7:30-10:30 a.m. in Room 900 on the ground floor of the School of Nursing, 17th & Chew. Employees interested in donating blood can sign up on the registration form posted in their department or contact the Employee Health Office at ext. 2289 to schedule an appointment.

■ *Smoke-Free Oldies Night to Feature Classic Tunes*

From the Beach Boys and the Beatles to the Rolling Stones and the Supremes, D.J. Tony Allen of Twilight Productions will play your favorite tunes at the First Annual Smoke-Free Oldies Night, Friday, June 10 from 9 p.m. - 1 a.m. at the Holiday Inn, Bethlehem. Tickets are \$12.50 per person. Snacks and light refreshments are included in the price of admission. A cash bar will also be available. Proceeds benefit Junior Achievement of Lehigh Valley, Inc. For tickets and information, please call 954-0338.

■ *Quit Smoking Through Hypnosis*

Smokers who want to quit smoking can overcome their craving for cigarettes through hypnosis. A group smoking cessation program, led by Kenneth Graham, PhD, a licensed psychologist, will be held Wednesday, June 15 from 7-8 p.m. in the auditorium, 17th & Chew. For more information and to register for the program, which is free-of-charge for hospital employees, please call the Health Promotion and Disease Prevention Department at 821-2150.

■ *Diabetes Center Offering Course*

The Helwig Diabetes Center is offering a four-part course for people interested in learning how their diabetes can be controlled and how to interpret monitoring results. "Diabetes: Taking Control" is scheduled for Monday, June 20; Wednesday, June 22; Monday, June 27; and Wednesday, June 29 from 7-9 p.m. in Suite 2700 at 1243 South Cedar Crest Blvd., Allentown. Registrants must have a basic understanding of diabetes management skills including a method of

testing blood glucose. Attendance is required at all four sessions. Tuition is \$80 for the course. Registrants may be accompanied by a family member or significant other at no additional cost.

■ *No Badge, No Break*

In order to receive a 20 percent discount on cafeteria purchases, employees are required to show their ID badges to cashiers at the check-out counters. Please be courteous and comply with this policy.

■ *Bon Appetit at Le Petit*

From soup to salad to sandwiches, Le Petit Cafe promises to tingle your taste buds at its new location on the ground floor of the School of Nursing, 17th & Chew. Stop by for breakfast from 8:15-9:30 a.m. or for lunch from 11 a.m.-1:15 p.m. and sample the menu at this brand new venue.

■ *Alcove Gift Shop's "St. Leon" Day*

On Friday, June 24, the Alcove Gift Shop at 17th & Chew will hold a special midway to Christmas sale for St. Leon Day (that's NOEL spelled backwards!) Stop by for an additional 20 percent off all merchandise (excluding food and magazines) during extended "holiday hours" — 7 a.m.-8 p.m. The sale is open to employees and the public, so stop by early for the best selection. ■

About Our People (from page 3)

Thank You! ...

... from **WLVT-TV, Channel 39** to Lehigh Valley Hospital's Professional Nurse Council for its interest and support of the station's on-air auction. In the words of public broadcasting officials "It is volunteers like you that make our station an asset to the community."

... from **Tracy Lester**, Central Float Pool, to her friends and colleagues at Lehigh Valley Hospital, for their cards, flowers and many kindnesses on the loss of her father. "You're a great bunch of people," she says. "May God bless all of you." ■

HR Development Information

Hospital Orientation

The next hospital orientation will begin at 8 a.m. at CC&I-78 on Monday, June 6. An optional tour of both sites will be held on Wednesday, June 8 beginning at 1 p.m. at 17th & Chew and 2:30 p.m. at CC&I-78. Reservations are required for the tour. To register, call ext. 4761.

CPR Certification

CPR Certification will be held in two parts and attendance is required at both. Part I will be held Tuesday, July 12 from 9 a.m. to noon in room 900, School of Nursing, 17th & Chew. Part II will be held Tuesday, July 19 from 9 a.m. to noon, also in room 900, School of Nursing. To register, complete and return the appropriate form on the monthly HRD calendar, outside HRD, room 1914, School of Nursing, 17th & Chew, or outside the HR benefits area at CC&I-78.

CPR Recertification

CPR Recertification will be held in the 24-hour period beginning at 10 a.m. on Wednesday, June 22 at 17th & Chew, 5th floor, Pediatric Classroom.

Symposia Reminder

The Human Resource Department has announced the next topics of the Regional Symposium Series which will be held in the auditorium at CC&I-78. Additional information is available by calling ext. 4609.

Chronic Fatigue Syndrome will be held Saturday, June 11. Topics will include "Differential Diagnosis of Chronic Fatigue," "Rehabilitation of the CFS Patient," and "Case Presentation by a Patient."

"Obstetrics and Gynecology Resident Research Day" will be held Friday, June 10 in the auditorium at 17th & Chew. Topics will include: "Hypertension in Pregnancy," "Fetal Seizures Diagnosed in Utero: A Case Study," "Postpartum Carotid Artery Dissection: A

Case Report," "Retrospective Analysis: The Use of Prostaglandin Gel in the Elective Induction of Labor," "Effects of Cancer and Cancer Therapy on Male Fertility," "HPV Tissue Typing of Verrucous Carcinoma of the Female Genital Tract," "Immunohistochemistry of Nitrazine Membrane in Pre-eclampsia," "Urinary Incontinence," "Premature Rupture of Membrane at 12 Weeks with Fetal Survival," "Is Seminal Mycoplasma Associated with Increased Pregnancy Loss?," "The Treatment of Recurrent Cervical Dysplasia with Ablative Treatment and Topical Efudex," "Sperm Separation Techniques," and "Abott TDX vs. L/S Ratio in Predicting Fetal Lung Maturity."

AHA Teleconferences Available

Issues relevant to healthcare providers are addressed in American Hospital Association teleconferences available through HR Development. Dates and topics of the teleconferences, which can be viewed live or taped, include:

- June 2** Coding For ICD9-CM Physician Demonstrations
- June 30** Assessing Community Health Needs; Models, Cases, Data Collection (HRET)
- July 21** Hospital Engineering Controls for Tuberculosis
- Aug. 4** Toward A Seamless Continuum of Care
- Aug. 18** Legal Issues Of Forming Community Care Networks
- Sept. 8** Performance Indicators for Materials Management
- Sept. 22** Strategies For Creating Physician/Hospital Alliances for the Development of Community Care Networks

The teleconferences are usually approved for CEUs by a professional organization. Cost per program is \$367. For more information, please call Jack Dunleavy at ext. 4761 or via E-mail. ■

CheckUp Extra!

Site & Facilities

May 27, 1994

CheckUp Extra is a new publication that focuses on site and facilities changes at Lehigh Valley Hospital. To provide hospital personnel with timely information about the renovation and relocation of various services, and the employees affected by those changes, CheckUp Extra will appear as a supplement in the regular CheckUp newsletter and as a separate publication on alternate weeks.

Cedar Crest & I-78

New Logo Sign Installation

On Tuesday, May 31, the new logo sign will be installed on the north face of the CC& I-78 building. The new sign will be installed in the same location as the temporary blue logo sign between the main and Anderson Wing entrances.

The sidewalk between the Anderson Wing and main entrances will be closed. It is unsafe to have pedestrian traffic under or around the overhead work area. All cross traffic must use the inside corridor.

The vendor will have a vehicle parked at the curb all day and Security will be ready to assist with traffic control if necessary.

The plan is to complete the installation in one day, but in the event of inclement weather, the work could take longer or be rescheduled.

The drilling required for the installation will probably be most distracting to the staff of the Lab, Cafeteria and Gift Shop, but we ask all of you for your patience and cooperation.

ExpressCare Begins in July

ExpressCare, emergency treatment for minor illness or injury, will be available in the Emergency Department at CC&I-78 beginning in July. (See related article in *CheckUp*, page 1.) Renovations are under way in the former offices of medical staff services which will be converted into a four-bay treatment area.

Cancer Center

Work is proceeding on the fourth floor of the John and Dorothy Morgan Cancer Center which will house offices for Human Resources, Risk Management, Integrated Quality Assessment/Resource Utility Management (IQA/RUM), the Information Services Training Room and the Credit Union. Meanwhile, physician offices are under construction on the third floor of the center. The offices will be ready for occupancy in early August. Eventually, the center will house many of the departments which now occupy the temporary trailers at CC& I-78 as well as other consolidated departments. Plans call for the subsequent removal of the trailers.

Administrative Suite

To accommodate patient services on the first floor, administrative offices adjacent to the lobby will be relocated. An administrative suite for senior management, now under construction on the third floor of the Anderson Wing, is scheduled for completion in late July. A new conference room for the Board of Trustees will also be constructed at this location.

LEHIGH VALLEY
HOSPITAL

CheckUp Extra!

Site & Facilities

May 27, 1994

17th & Chew

Mother/Baby Unit

The Mother/Baby Unit will relocate to newly-renovated quarters on 4T in June. The new unit will accommodate postpartum mothers and their babies in predominantly single rooms with private bath facilities.

Following the relocation of the Mother/Baby Unit, the area it now occupies on 3T will be remodeled for 10 new Labor/Delivery/Recovery (LDR) rooms.

Following that, the existing Labor and Delivery Unit will be transformed into a high-risk antepartum unit for mothers who require hospitalization during pregnancy.

Look for details about a staff reception and tours of the new Mother/Baby Unit in the next issue of CheckUp Extra.

Rehabilitation Services

Physical and occupational therapy will relocate to the fifth floor tower in late June. These rehabilitative services will adjoin the transitional, or sub-acute care unit now under review by the Pennsylvania Department of Health.

Upgrades

Electrical, plumbing and other upgrades to the infrastructure of the 2nd to 6th floors, T Wing, will be completed in early June.

Outpatient Treatment Unit

The Outpatient Treatment Unit will expand from 8 to 12 bays at its new location on 4N. The unit was granted occupancy on Wednesday, May 25. The unit will be relocated May 31.

Service Anniversaries: June 1994

Human Resources congratulates the following employees on their service anniversaries and thanks them for their continuing service to Lehigh Valley Hospital.
