For the Benefit of the Hospital.

At the last public meeting of the Hospital Association the generous offer of the Allentown Band, made through its celebrated leader, Prof. Klingler, to give a concert for the benefit of the hospital was accepted. The evening of February 11 has been fixed upon for the concert. A rich treat may be expected, and it is hoped that the public will add by its patronage at least a thousand dollars to the hospital fund. This is the only entertainment authorized by the association.
