A LADIES' AUXILIARY.

**Dr. Singmaster Issues a Call to the Women
of Allentown.**

All the ladies of Allentown who are interested in the Allentown Hospital are to meet in the Y. M. C. A. Hall at 2 o'clock this afternoon for the purpose of forming a Ladies' Auxilliary to the Allentown Hospital Association.

J. A. SINGMASTER, Pres.

The above call should be answered by every woman in Allentown. In all charitable work the women always figure prominently and generally are the best workers. The women of Allentown have upon many occasions demonstrated that they lack not in charitable work, and it is hoped that they will be present in large numbers to-day to form an organization. After this is effected the lines of work can be clearly outlined and the good work will certainly receive an additional stimulus.
