The Heads of the Various Departments—Donations Solicited—St. Mary's Commandery Will Give a Drill.

Appended is a list of the heads of the various committees of the fair. Donations are earnestly solicited for the different departments and may be sent to the address indicated. The MORNING CALL trusts the friends of the project will not wait to be personally called on, but will show their interest by responding liberally without further notice.

Several hundred ladies are actively engaged in making preparations; but they need and desire the help of every citizen to make the fair a magnificent success. The fair opens on Saturday evening, May 2, and continues one week (Sunday excepted). Send your donations as early as possible. Persons desiring to contribute perishable goods for the refreshment booth will kindly notify Mrs. Menges in advance.

By special request of the General Committee of Arrangements one of the main features of the opening night will be a short street parade by the famous St. Mary's Commandery, K. G. E., in full uniform, headed by a band of music. In the hall the commandery will give an exhibition drill, which will be a rare treat for those attending. This platoon of champion sword manipulators are doing much practicing at the present time for a \$200 prize drill in Altoona on the second Tuesday in May, which they will no doubt bring along home, and who ever sees them in Market Hall on Saturday evening next will see them at their best.
