The Allentown Morning Call 5-1-1896

The "Hospital Bulletin."
"Hospital Bulletin" is the name of the paper published by the Hospital Association in connection with the hospital fair. The paper will contain the full program, name of all serving on committees and, in short, all particulars about the fair. The paper will be sold on Saturday by boys at 5 cents a copy. They will make a house-to-house canvass and the association desires that the boys be liberally greeted.
