**Invite Miss Russell.**

Lillian Russell will be here to-morrow evening and it is almost certain that she will draw a large house. If the Press Committee of the Women's Auxiliary would see her it is altogether likely that she would consent to be present at the hospital fair. If not as an entertainer as a visitor. Either would aid the fund. If she should consent to be present after her performance it would certainly be an incentive for the crowd to remain and if she should be present in the afternoon it would be an incentive to crowd the house.
