ALLENTOWN, PA., JUNE 8, 1896.

For a Good Cause.

The Ladies' Auxiliary of the Allentown Hospital Association will run an excursion to Mountain Park on July 25. The MORNING CALL earnestly hopes that the people of Allentown and vicinity will give the ladies every encouragement. If this is done a large sum of money will be realized and the proposed Allentown Hospital will be given another boost.

The members of the Ladies' Auxiliary of the Hospital Association deserve great credit for their unselfish labors in behalf of this noblest of causes. They have, in fact, done more than the men, with a few exceptions. The magnificent bazaar held several weeks ago and which proved so successful, was almost entirely in the hands of the noble band of women. Now that they have decided on another project to raise money for the hospital we hope that every man and woman in Allentown, who is able to do so, will lend a helping hand. The members of the Ladies' Auxiliary in this instance do not ask for your money and give nothing in return. Every one will get full worth of the money spent. Mountain Park is one of the most picturesque spots in eastern Pennsylvania and a day of rare pleasure is assured. Besides, by giving your patronage you help a most worthy cause.
