**The Hospital Excursion.**

At 2.30 Friday afternoon the committee decided to postpone the hospital excursion to Mountain Park Saturday, on account of the rain. It looked Friday account of the rain. It looked yesterday indefinitely. Mr. Gossler telegraphed to the weather bureaus at Washington and New York. From both he received replies that the indications were for rain Saturday. The Central Railroad Company notified them that if they gave notice of postponement before 5 o'clock Friday afternoon there would be no expenses; otherwise in case of rain to-day the committee would have been required to pay \$280.50.
