### HOSPITAL TRUSTEES MEET.

**The Erection of the Main Building Will be Started at Once.**

The regular monthly meeting of the board of trustees of the Allentown Hospital Association was held yesterday afternoon. The committee on city lot reported the ordinance to grant the lot to the association defeated in council. The board agreed to proceed with the erection of the main or administration building at once on the site purchased by the Ladies' Auxiliary. The building committee was instructed to enter into contract with J. M. Ritter, contractor, to proceed with the building. The plans for ventilating and heating presented by John H. Birchall were accepted.
