ALLENTOWN, PA., MAY 26, 1899

SHOULD SUPPORT THE HOSPITAL.

From the Easton Free Press.

The Allentown people are to be congratulated on the successful opening of their hospital, and, in a little while, the people up there will wonder how they ever did without it. The first patient, a man with a leg broken in three places, was admitted on Tuesday, the opening day. The hospital will do a good work for Allentown, and in order that it shall be properly conducted the people of that city should give it financial support.
