For the Benefit of the Hospital.

Arrangements are being made to secure the Leipsic Quartet, which gave a concert in St. John's Lutheran Church a month or so ago, for another concert, to be given for the benefit of the Allentown Hospital. There is not the slightest doubt but that the quartet will be greeted by a crowded house on their second appearance in this city. Those who have heard their wonderful singing on the occasion of their first appearance here would be only too glad to have another opportunity of hearing them, and they alone would make a good-sized audience.
