Fair for the Hospital.

The Ladies' Auxiliary of the Allentown Hospital and its friends are doing some tall hustling these days for the fair that is to be held on Mr. E. M. Young's lot, northeast corner of Twelfth and Hamilton streets, during the week commencing May 25th. This will be a novel affair and will be the first of the kind held in Allentown for many years.

Mr. Young has kindly consented to give the use of the lot free of charge and the building, which will be 100 by 180 feet in dimensions, will be erected by the members of the Board of Trustees of the hospital. Mr. Samuel Harris, General Manager of the Lehigh Valley Traction Company and of the Allentown Electric Light and Power Company, will furnish the electric light free of charge.

Hon. Jeremiah Roth will donate a steer and Messrs. F. G., Walter F. and Allan H. Sieger will give a set of harness, to be used as the managers may deem best. A piano would prove a very acceptable gift. Who will donate it? Don't all speak at once.

Christ & Peters have kindly consented to paint a big sign, which will be erected near the hospital to advertise the coming event.

One of the features of the bazar will be a strawberry festival.
