# BOOST FOR THE HOSPITAL

**Favorable Report on the \$20,000  
Appropriation.**

**FIRST BILL CONSIDERED**

**By Senate Committee and Favorably  
Acted Upon—It Will be Introduc-  
ed To-day for First Reading  
in the Senate.**

The \$20,000 for the maintenance of the Allentown **Hospital** is assured.

A telephone message to the "Morning Call" last evening from Harrisburg stated that the bill introduced by Senator Stiles for \$20,000 for the Allentown **Hospital** was the first bill to be taken up last evening by the senate committee and it was favorably acted upon.

This means that the bill will be introduced to-day for first reading and be printed and to-morrow it will come up for second reading and on Monday for third reading and finally.

Senator Stiles did good work in getting the first hearing, and a favorable one at that. The senate will remain in session to-day and to-morrow. The house has adjourned until Monday.

This news will be very cheering to the faithful women who are conducting the **hospital** bazaar in the Lehigh Valley Hall, as well as the many people of the city and county who are interested in the welfare of the Allentown **Hospital**.
