# About Our Hospital

**Lehigh Valley Hospital and Health Network** (LVHHN) is the region's largest health care provider with three locations in Allentown and Bethlehem serving the Lehigh Valley community for more than 100 years.

## Each year Lehigh Valley Hospital and Health Network:

- Treats more than **43,000** in-hospital patients
- Handles more than **115,000** emergency room cases
- Delivers more than **3,300** babies
- Cares for more than **220,000** people in various outpatient settings
- Invests an average of \$8 million annually for **new technology and innovation**

## Some facts about our medical services:

- Has a total of **800** acute beds with a combined medical staff of more than **1,100**
- Is the area's largest employer with more than **8,000** employees
- In 2005 provided more than \$84 million in **charity care and community service**
- **Level I Trauma Center**, certified for adults and children, the only one in the region with both certifications
- **Provides care to more cancer patients** than any hospital in the region, offering national clinical research trials, advanced technology and state of the art radiation therapy

- LVHHN is one of the **largest teaching hospitals** in Pennsylvania and is a major teaching campus of Penn State University's College of Medicine.
- **Regional referral center** for pediatric and adult trauma, burns, kidney and pancreas transplants, high-risk pregnancy and critically ill newborn care, cardiac care, cancer care, pediatric care, neurology, neurosurgery and orthopedics
- **Among less than 3 percent** of hospitals to hold the **Magnet hospital** designation, the American Nurses Association's highest honor for nursing care
- One of only 400 members of the prestigious **Council of Teaching Hospitals** (COTH)
- **Regional Heart Center**, the cardiac program with the second most discharges in the state, and the best outcomes in the state for heart bypass surgery (PHC4)
- Among nation's leading **digital hospitals, on 100 Most Wired list**
- **Ranked by U.S. News & World Report** for 10 straight years, including recognition for cardiology/cardiac surgery, digestive disorders, geriatrics, hormonal disorders including diabetes, orthopedics
- The region's only transplant center, providing **kidney and pancreas transplantation**
