

Info Mastery Worksheet- PICO Question

FIRST ASK: Is this a background question (i.e. asking more information about a disease, drug or therapy?; e.g. What treatment options are available for Patellar tendonitis?)? If so, don't use PICO.

Your Name: _____

Section One:	
What is your Clinical Question (PICO)? <i>(Do not provide the answer here, just imagine what comparison/outcome an ideal answer would look like)</i>	Problem
	Intervention
	Comparison
	Outcome
Section Two: Finding the answer	
Search Strategy	
Search Resource(s)	
Answer	
Is your answer valid (likely to be true?) How do you know?	
Work (time spent)	
How will you change your behavior based on this information?	
How did the answer affect your judgment about what's "right" or "best practice"?
